Part 5: Quiz

Test your skills

We can use Pandoc to build an interactive quiz. The “interactive” part will work only on `revealjs`, not on beamer PDF.

Try a little bit to verify your knowledge on Pandoc :)

Test your skills (Q1)

Q1. What are the pandoc elements for checkboxes?

- ☐ fenced_divs
- ☐ check_list
- ☐ task_lists
- ☐ code_chunks

See `revealjs` version for interactive testing (not available for `beamer`).

Test your skills (Q2)

Q2. On `slide-level` number 2, what are # and ##?

- ☐ frame, box
- ☐ section, subsection
- ☐ subsection, frame
- ☐ section, frame

See `revealjs` version for interactive testing (not available for `beamer`).
